RE: A transition for Kimberly Azevedo, LMFT

Dear client:

It is with great excitement and sadness that I announce my departure from Azevedo Family Psychology. I will be transitioning to a new company, Thriveworks, effective August 1st, 2022. I will continue to provide the same excellent and comprehensive therapy that you have experienced here at Azevedo Family Psychology. During this period of transition, you have several options for your continued care. You are welcome to follow me to my new practice with Thriveworks, please email for further instructions on how to do this, or you may request referrals to new therapists in the area.

Whatever your choice, I will support you and do the best I can to facilitate a smooth transition. You will need to fill out a release of information form, available on the patient portal, so that information can be passed to continue care. Whether you choose to continue care with me or initiate practice with a new therapist, I would greatly appreciate a response to inform me of your plans.

If you would like more information about these options, please feel free to contact me. My time at Azevedo Family Psychology has been full of growth and learning. I am excited about the next chapter in my journey and look forward to continued collaboration with Azevedo Family Psychology.

Sincerely,

Kimberly M Azevedo, LMFT
